Proceedings of the Dewan of Mysore

Docket from the Deputy Commissioner Bangalore District No 526 dated 26th August 1884, submitting Proceedings of the Channapatna Municipal Board dated 19th July 1884 and recommending increase to the remuneration of the Shanbog collecting Mohatarfa in the Town.

Docket No 846 dated 10th November 1884 from the Deputy Commissioner Bangalore District submitting details of the ~~[illegible]~~ last year's Jamabundy and Collection in the Town.

Order thereon No 76-7 Camp Mysore dated 21st November 1884.

The Deputy Commissioner reports that the Shanbog at Channapatna is in receipt of Rs 2½ per mensem from the Revenue Department on account of the Mohatarfa Collection

Collection and that on this account no remuneration is paid to Shanbog in any of the Municipalities in the Bangalore District.

2 The Municipalities in Mysore which enjoy the Mohaturfa Collections have to pay to Government one half of the gross receipts from the Tax, the cost of Collection being borne by themselves. The sum of Rs 2½ now paid to the Shanbogue of Channapatna from Provincial Funds should therefore cease and the Shanbog should be paid from Municipal Funds, his remuneration being fixed at Rs 5 per mensem as recommended by the Municipal Board and the President.

3. As regards the proposed formation of a Municipal Garden at Channapatna referred to in para 4 of the Municipal Board's Proceedings of 19th July 1884, the President explains that it can be laid out at a small cost from Municipal Funds. The proposal is sanctioned.

The Chief Secretary to the
Dewan of Mysore -

Sir,

Adverting to the Dewan's Proceedings No 5456-68/161 of 4th November last passing orders on the Municipal Budgets of this District for the year 1886-87. I have the honor, with reference to para 6 disallowing a provision of Rupees 48 on account of pay to the Shanbhog of Kunigal to state that the permanent remuneration of the Shanbhogs and Potails of this and Gubbi Taluk has not yet been sanctioned and that as stated by the Survey Superintendent the Inchatur-fa collections are not taken into calculation in fixing the temporary remuneration - The Shanbhogs of Kunigal and Gubbi respectively get a pay of Rupees 2-7-0 and 2-3-0 per

mensem

menam and this is hardly adequate for the work required of them.

2. Gubbi and Kunigal are big towns where municipal collection is comparatively heavy and the clerical labor is also great.

3. Under these circumstances, I beg that a monthly allowance of Rupees 4 may kindly be sanctioned to each of the Chambhogs alluded to, until they get permanent remuneration. Provision has accordingly been made in the Budgets for the current year.

Sir,

With reference to your docket
No 7981/3964 of the 14th March last regarding
the bill for the arrears of commission
payable to the Shanbogues of the
several Municipal Towns in the Dis-
trict on account of Octroi collection
I have the honor to State that the
figures in the bill do not tally
with those in the actual accounts
submitted to the Comptroller yearly,
as in the former the whole of the
realizations under "Octroi" have
been shewn for the purpose of
calculating the amount of Com-
mission payable, while in the
latter only the moiety credited to
the Municipal Fund was entered
in cases in which the revenue was
divisible between Government
and the Municipalities.

2. The sum of Rs 394/- or rather

398

398 including (Devanaballi and Vadi-
-gánahalli referred to in your docket
under acknowledgment represents
the amounts of Commission already
paid to the Shanbogues in previous
years and it was not therefore
shewn in the bill in question nor
the collections on which the same
was paid

3. The figures entered against
1885-86 represent the total collections
for that year.

4. The records for the years
against which no entries are
in the bill relates to the amount
of commission already paid and
does not therefore appear in the
bill

5 A revised bill for Rs. 690-7-10
is herewith submitted as on a
comparison of the figures with
those in the Treasury Accounts
it was found that in the bill
already submitted with this
office letter No. 2523/708 of the 18th February

been

been omitted under the head "Collections"

Letter from the Dy Com Kolar Dest dated 17 December 1889 etc 2565-495 requesting sanction for the increase of establishments in 9 municipalities of the Dest and order thereon

Jmun 1 92-'91

No 7928-9 of 6-1-90
334 20

As a rule, the Mohaturfa collections should be made by the village officers, whose Potigee remuneration has been fixed in consideration of the labor involved in collecting the Mohaturfa tax as well as Land revenue. In the Municipality of Kolar there are 2 Peons and 1 Daroga to look after the work of the 13 Sweepers and the Government do not see any necessity for the employment of the additional Peon now proposed

In Bowringpett, the Government sanction the employment of the Peon proposed on

on 6 Rs per mensem, but they are no necessity for a Darogha as there are only 5 Sweepers whose work they have to be superintended.

3 In Allahabad, Fyzabad and Chunarcurrah, there are only 4, 3 & 5 Sweepers respectively whose work is superintended by a Darogha on Rs 8 per mensem. The necessity for the employment of a Darogha in these Municipalities is not obvious & cannot therefore be sanctioned.

(4) In Ludlaghatta there are 8 Sweepers and 1 Darogha. The Dy Com proposes the employment of 2 Peons. The Govt consider that the employment of one Peon on a salary of Rs 5 per mensem is sufficient & can be allowed accordingly.

(5) There are 3 or 4 Sweepers in each of the Municipalities of Bageshally

Gentlemen

Groombridge, there being no Peons to superintend the work the Ty commissioners sanction the employment of one Peon in lieu of the on a salary of Rs 5 per mensem as proposed.

6 The charge for the current year will be met from the general allotments on account of the establishments now sanctioned already sanctioned for the Municipalities Concerned.

To

The Chief Secretary to the
Government of Mysore.

Sir,

With reference to Government Proceedings No: 12109 / 1595 Dated the 28th Ultimo, I have the honor to state that, when Cholera broke out recently in the Kolar Town, it was ascertained that the present number of 15 sweepers is insufficient to sweep the whole Town, and assist in removing the rubbish to the carts, and that the neglect to keep some of the detached localities clean has affected the general health of the Town.

2. There are 2 peons at Rupees 5 each on the conservancy establishment but they are not only to Superintend the work of the sweepers but they are to carry out slight repairs of Roads and drains without extra cost, besides being required to assist in collection of taxes and attend to the

General miscellaneous work pertaining to the sanitation of the Town. As the number of peons were inadequate for the requirements of the Town, a recommendation was made in this office letter No: 2565/495 dated 17th December 1889 and provision in the current year's Budget for the employment of an additional Peon, but it was not sanctioned.

3. The Municipal members have discussed the subject matter when the Budget for the next year was laid before them, and recommended for an increase of 5 sweepers and one Peon for the Conservancy establishment. Extract of their resolution is herewith submitted for ready reference.

4. Unless the Conservancy establishment is augmented and strict Supervision maintained, the health of the Town will probably continue to suffer now and then as heretofore, and I would beg that the proposed increase which is not unreasonable may be kindly sanctioned.

I have the honor to be,

the ensuing year (1891–92)

(a) There are now 15 Sweepers and 2
Peons & 1 Daroga on the Conservancy
Establishment which is inadequate
for this large Town with numerous
streets and lanes in detached localities.
The Peons are not only to Supervise
the Sweepers' work, but they are to
effect petty road repairs and —
drains without extra expenditure,
occasionally assisting in the —
collection of taxes.

The demand for Sanitary — —
improvements being also steadily
increasing in the Town, the employ

is earnestly hoped that the Dewan

will be pleased to accord sanction for this reasonable extra outlay solely to secure better Sanitation and other useful works in the Town.
